**RE: REQUEST FOR RELEASE OF FUNDS;
HOME INVESTMENT PARTNERSHIP GRANT**

Dear Mr. Chandler:

Hafa Adai ! Transmitted herewith is a request for the release of \$1,229,698.00 in Home Investment Partnership Grant, M-04-09 funds for the purchase of property and construction of affordable rental housing for person with disabilities. Your office had approved the release of funds for this project earlier, which was located on another location. Due to failure in negotiation with the seller, another site was identified for the project that required us to perform another environmental review for this new site. The Authority did not receive public comments during the advertised comment period for this new site.

We have determined that there are no significant issues to dissuade a " Finding of No Significant Impact" for the project. We have determined that all environmental review requirements outline in 24 CFR Part 58 have been fulfilled.

Thank you for attention to this matter, we look forward to your timely response. Should you have any questions, please feel free to call Mr. Mike Duenas, Chief Planner from our Research, Planning and Evaluation Division at (671) 475-407.

Sincerely,

Ronald S. De Guzman
Executive Director
