The Guam SBDC assists with the following:

- Small business counseling (free confidential one-to-one counseling in all areas of business management);
- Small business training (courses range from introductory workshops for those just starting out in business to advanced programs aimed at enhancing the growth potential of established businesses at low to no cost);
- Small business assistance center (resources available including extensive small business library, computer laboratory, and government & local business resource information);
- Community/Village outreach (presentations are available to schools, village organizations, and community groups).

Mission

The Guam Small Business Development Center (Guam SBDC) is a member of University of Guam's Pacific Islands Small Business Development Center Network (PISBDCN). Its mission is to support the growth and economic development of the U.S. affiliated islands in the western pacific region by providing high quality training and one-on-one confidential counseling to existing small businesses and to small business start-ups.
