Guam will prioritize the use of CPD funds unexpended upon the successful completion of activities or the postponement of approved projects. First priority is established to support the need for additional funding of ongoing approved projects (as necessary). Second priority is established to fund the Guam Memorial Hospital Surgical Infrastructure Modernization project. *GHURA will issue a Request for Proposal to identify an entity or entities to execute ESG Activities. Guam anticipates that the imminent implementation of the Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act will impact the use of ESG funds at a programmatic level. Guam will adapt to programmatic changes as required.

Guam's application for the use of CPD funds for the period from October 1, 2011 through September 30, 2012 is submitted to HUD as Guam's PY11 Annual Action Plan (AAP). Activities selected will address priorities identified in Guam's Consolidated Plan 2010-2014. Selection was made from proposals submitted on or before April 25, 2011 by government and non-government entities, in response to Notices of Funding published on February 23, 2011, March 24, 2011 and April 18, 2011, and from activities identified as priority by the Led Agency (GHRUA). GHURA is inviting the public to comment on the proposed use of funds. A public hearing will be held on Tuesday, July 19, 2011 at 10:00 a.m., in the CPD Conference Room, 3rd Floor, GCIC Building, 414 W. Soledad Avenue, Suite 306A, Hagatña.

Copy of the AAP is available on the GHURA website at www.ghura.org and at GCIC CPD Office. Written comments must be submitted no later than 5:00 p.m., August 3, 2011 at GHURA CPD, GCIC Bldg. Ste. 306, 414 W. Soledad Ave., Hagatña. For additional information or special accommodations to attend the public hearing, please contact GHURA Chief Planner Michael J. Duenas at 475-1407.
