Date: September 3, 2019

To: All Project Applicants

From: Chairperson, Guam Homeless Coalition  
GHC Review and Ranking Committee Leader

Subject: Results of Review and Ranking for FY 2019 Continuum of Care (CoC) Program Competition

To Whom It May Concern:

The Guam Homeless Coalition (GHC) is pleased to announce the results of its review of all project applications submitted under the FY 2019 CoC Program Competition.

Rank	Type	Organization	Programs	Totals	RRC Recommendations
1	RENEWAL	Catholic Social Services	Gai Animas	96.03%	Maintain current funding
2	RENEWAL HMIS	The Salvation Army Guam	HMIS	95.83%	Maintain current funding
3	RENEWAL	The Salvation Army Guam	Coordinated Entry System	94.81%	Maintain current funding
4	NEW	Sanctuary Inc. of Guam	Guma Manhoben	93.55%	Approved at requested funding level
5	RENEWAL	GHURA	Housing First Rental Assistance Program	90.69%	Maintain current funding
6	RENEWAL	Catholic Social Services	Y Jahame	90.14%	Maintain current funding
7	RENEWAL	Guma Mami Inc.	Guma Mami Inayek	85.17%	Maintain current funding
8	RENEWAL	Elim Pacific Ministries	Empowered Together	81.76%	Reallocate full funding

All applications were reviewed by the Review and Ranking Committee (RRC) comprised of GHC members representing agencies and organizations which do not receive CoC funding. Typically, the RRC reviews information provided by applicants in the areas of Project Performance, Experience and Organizational Commitment, Relative Need, Project Design and Effectiveness, and Financial Management. Consideration is also given to HUD and CoC program priorities and mandates. Note that the final decision on selected project applicants and funding levels is determined by HUD.

The CoC Program is designed to promote a community-wide commitment to the goal of ending homelessness; to provide funding for efforts to quickly re-house homeless individuals, families, persons fleeing domestic violence, and youth while minimizing the trauma and dislocation caused by homelessness; to promote access to and effective utilization of mainstream programs by homeless individuals and families; and to optimize self-sufficiency among those experiencing homelessness.

We thank you for taking the time and effort to develop and submit your proposal. If you have any questions or concerns, please do not hesitate to contact me at 300-1588 or via email at [amscruz@qdoe.net](mailto:amscruz@qdoe.net). Again, thank you for your interest in the Continuum of Care and your continued efforts to address homelessness on Guam.

Sincerely,

ANGELINA-MARIE C. LAPE
