II. BOARD MEETING PUBLIC ANNOUNCEMENTS

1st Printing – Tuesday, February 14, 2023 2nd Printing – Sunday, February 19, 2023 ACKNOWLEDGED by Chairman Rivera

III. APPROVAL OF PREVIOUS BOARD MINUTES – January 24, 2023

[016/23] Commissioner Sanchez moved to approve the board meeting minutes of January 24, 2023, subject to corrections. Commissioner Rice seconded the motion. There were no objections by the other board members. Motion passed, subject to any corrections.

IV. NEW BUSINESS

1. Resolution No. FY2023-008

Resolution Approving Above-Step Recruitment for a Program Coordinator III Position (Section 8 Division)

[017/23] Executive Director Napoli read aloud Resolution No. FY2023-08, approving Above-Step Recruitment for the Program Coordinator III position for Ms. Nicole R. Alejandro, at the Section 8 Division. A hard copy of Resolution No. FY2023-08 was included in the board packet, pg. 1 of 24.

Chairman Rivera inquired about the duration of the temporary hire Program Coordinator II position. Dr. Kimberly Bersamin, HR Administrator, indicated that she believed that the duration of the temporary hire was six months. She added that within the six-month period, Ms. Nicole Alejandro was able to obligate funds that were at risk and GHURA would like to keep the talent that Ms. Alejandro has exhibited. She added that Ms. Alejandro also comes at an ideal time as succession planning will be underway. Dr. Bersamin respectfully requested that the board approve the Above-Step recruitment of Ms. Nicole R. Alejandro.

Commissioner Rice inquired about whether GHURA plans on bringing on more positions to assist with the workflow since there are potential retirees. Dr. Bersamin indicated that GHURA does have a succession plan in place to step up the recruitment process, start the cross-training, and grow the talent from within the authority.

Chairman Rivera recommended that GHURA look into its succession planning from a holistic perspective and revisit its wage scale in order to attract talent, keep talent that is here at GHURA, and give HR the room to create a succession pathway sooner than later. Dr. Bersamin indicated that she and the rest of the strategy team will be meeting to brainstorm ideas and then report before the board at a later time. There were no further discussions.

[018/23] Commissioner Rice moved to approve Resolution No. FY2023-008, a resolution approving the Above-Step recruitment for the Program Coordinator III position, Section 8 Division. Commissioner Sanchez seconded the motion. There were no objections by the other board members. The motion passed unanimously.

2. Intent to Award

IFB#GHURA-23-05-MOD7-AMP1; Renovation of Seven (7) Public Housing Units [019/23] Executive Director Napoli stated the following:

- Bid opening for the subject project was held on January 27, 2023 at 2PM
- A total of (2) contractors purchased a set of bed specifications for which both submitted a bid.

- Results of the bid submissions were opened read aloud:
 - 1. Genesis Tech Corp., with a bid bond of 15% and Base Bid #1 at \$223,000.
 - 2. OH Construction, with a bid bond of 15% and Base Bid of \$235,000.
 - 3. Government estimate was at \$255,350.
- The intent of the project is to modernize units as per scope of work:
 - Base Bid #1- consists of (7) vacant units at the AMP1 side; of the (7) vacant units, (1) unit in Mongmong, (3) units in Sinjana, (2) Asan and (1) in Agana Heights. Detailed scope of work on modernization was included in the bid documents in the BOC packet for board review.
- Genesis Tech Corp. provided the lowest responsive and responsible bid and is in good standing.
- Genesis Tech Corp. had been cleared by the Department of Labor Compliance, OSHA, and EPLS Debarred list. (Verification attached)
- Based on AE staff's review and determination, GHURA requested board approval to issue the contract to Genesis Tech Corp. in the total amount of \$223,000.
- Funding is available under the Capital Funds Program.

Chairman Rivera inquired about the project's completion date. Mr. Sonny Perez, AE Manager, indicated that Mod project completions usually range anywhere from 120-160 days, depending on the number of units and the complexity of the job. He added that he would confirm the information and report back to the board. He also indicated that the challenges that the contractors and GHURA has dealt with in the past 6-8 months have included resource issues and weather delays. Chairman Rivera expressed his concerns with timeliness issues. There were no further discussions.

[020/23] Commissioner Rice moved to approve the Intent of Award, IFB#GHURA-23-05-MOD7-AMP1, Renovation of (7) public housing units. Commissioner Sanchez seconded the motion. The motion passed unanimously.

3. Change Order No. 1 IFB#GHURA-08-26-2021-HOME; Design-Build & Construction of Two New Homes in Agat & Dededo

[021/23] Executive Director Napoli stated the following:

- Design for a Notice to Proceed (NTP) commenced on 2/14/2022
- Construction commenced on June 30, 2022 to completion on February 25, 2023 (240 days)
- Progress percentage- 60%
- Genesis Tech Corp. is currently contracted for the design-build and construction of (2) new homes in Agat and Dededo.
- AE staff and contractor conducted a site inspection at L12 Bb T240 Astumbo, Chalan Panao, Dededo and discovered the actual topographic of

- the site differs from the bid documents sketch provided, which shows the new building pad to be 4 ft. above the existing grade.
- The actual survey topographic consisted of a greater slope of (8) feet above the existing grade
- Cost Analysis and Justification: Original contract amount-\$650,000
 - a) Materials Costs: \$25,293.00
 - Compacted backfill interior and exterior of building.....450CY
 - o 8x8x16 CMU blocks....827 pcs.
 - o CMU Grout (3000psi)6.5 CY
 - o #5 Rebars....0.5 ton
 - o Form work material....1 Lot
 - o Exterior Plaster and 2 coat painting....1 Lot
 - b) Labor Costs: \$10,900
 - c) Time Extension: additional 90 days
 - 1. Time extension based on (2) matters: Additional work to correct the discovered site conditions and;
 - 2. Inclement weather experienced between November 2022 and January 2023. Work involved is 45 days.
- Based on AE staff's review, GHURA is requesting board approval for a change order/contract modification with Genesis Tech. Corp. in the amount of \$36,193.00 for the additional work.
- AE staff has determined that the proposals are reasonable and acceptable.

Chairman Rivera inquired about the conditions that may trigger a professional site inspection. Mr. Sonny Perez, AE manager, indicated that the AE staff had done visual inspections, as they had done in the past, but a professional land surveyor should have been on board. Chairman Rivera inquired about what GHURA is doing to mitigate issues of inclement weather. Mr. Sonny Perez indicated that as part of AE's new policy, more site visits to document site conditions are being conducted. Also in discussions, are more updates to the AE policy such as the addition of allowances for weather delays into contracts. Chairman Rivera thanked Mr. Perez for his proactiveness in correcting policies and ensuring that GHURA mitigate future issues.

Commissioner Rice inquired about the contractor's surveyor's findings and why GHURA was not able to capture the difference in elevation from the surveyor's report. Mr. Sonny Perez indicated that the elevation was covered by shrubbery, trees, and bushes and that GHURA missed the actual elevation due to it being hidden. He added that the contractor had brought in a land surveyor to confirm the difference in elevation of about four feet. He indicated that he was not aware of whether the land surveyor prepared a report as he had not seen a report.

Commissioner Sanchez inquired about the steps that GHURA has take to ensure that contractors are showing up to project sites. Mr. Perez stated that Mr. Miguel Fernandez conducts inspections at the project sites, including MOD sites, documenting the project progress, the number of workers on-site, and also documenting the weather patterns daily.

[022/23] Commissioner Sanchez motioned to approve Change Order No. 1 IFB#GHURA-08-26-2021-HOME; Design-Build & Construction of Two New Homes in Agat & Dededo to Genesis Tech in the amount of \$36, 193.00. Commissioner Rice seconded the motion. There were no objections. The motion passed unanimously.

4. Notice of Award

Small Purchase of Professional Services GH12-14-22

[023/23] Executive Director Napoli stated the following:

- Corrected Item #4 to read Notice of Intent to Award, instead of Notice of Award
- This item was to keep the board apprised of GHURA's efforts at hiring Legal Representation.
- GHURA intends to Award Professional Services Small Purchase GH12-14-44 to McDonald Law Office.
- As previously reported, GHURA has been working to obtain Legal Services
- Draft Professional Services Agreement has undergone review by the OAG
- Final Professional Services Agreement is subject to final review; GHURA anticipates a reasonable turnaround time
- This is intended to bridge GHURA's current needs toward long term solutions.

There were no further discussions.

V. EXECUTIVE DIRECTOR'S REPORT

1. Project Updates

[024/23] Executive Director Napoli stated the following:

- Requested to table the Executive Director's Report to the next scheduled board meeting.
- Informed Commissioners about the upcoming Ground Breaking Ceremony for the Summer Vista I at Dos Amantes, Dededo.
- Deputy Director Esteves will report on the NSPIRE training that he attended with (2) other GHURA staff members at the next scheduled board meeting.

Moved By:	Seconded By:
	RESOLUTION APPROVING THE WRITE-OFF OF TENANT ACCOUNTS RECEIVABLE.
WHEREAS,	the Guam Housing and Urban Renewal Authority (GHURA) is the Guam public housing authority that provides decent homes and suitable living environments for Guam families of low income to afford to pay for safe, sanitary and decent dwelling accommodations; and
WHEREAS,	the governance and well-being of GHURA is vested in the Board of Commissioners (BOC) and empowered by 12 Guam Code Annotated, Chapter 5, Section 5104; and
WHEREAS,	BOC Resolution No. FY2018-002 Resolution Adopting the Write-Off Policy for Uncollectible Accounts for GHURA Rental Properties; and
WHEREAS,	in the normal course of business, the Authority is involved in transactions that result in monies being owed to GHURA for which they are unable to collect, and as necessary,
WHEREAS,	the Property Site Managers submit summaries of debts considered for write-off to prevent overstating of assets which are affecting the Authority's financial performance; and
WHEREAS,	currently, GHURA's receivables include outstanding accounts, which have remained in GHURA's books for over 90 days as of December 31, 2022, as indicated below; and

Recommend to Write-Off Tenant Accounts Receivables

As of December 31, 2022

I have reviewed AMP1's Tenant Account Receivables and attached is the listing of accounts recommended for write-off due to no response from former residents. These accounts have been close through December 31, 2022 totaling \$9,594.63 with payment or adjustment applied to include DRT fees.

These inactive account balances are affecting the Authority's financial performance therefore; I recommend that these balances be written off and forwarded to the Department of Revenue and Taxation for collection.

Thank you,

Recommend to Write-Off Tenant Accounts Receivables

Total: \$951.41

I have reviewed AMP 2's Tenant Accounts Receivables for the period through December 31, 2022. Attached is a list of accounts to be written off due to non-activity from former residents. The accounts were closed through December 31, 2022.

Please note that the 'Aged Balance Report' does not reflect the balances as indicated in TAR. Attached is a TAR Balance Report (excel sheet) and supporting documents explaining the variances as described below:

Aged-Balance Report	Write-Off Amount	(Variance)
\$3,001.41	\$951.41	\$2,050.00

The reason for the variance is due to other charges were applied to tenants after December 31, 2022.

These inactive accounts are affecting the Authority's financial performance and I am recommending that these accounts be written off and forwarded to the Department of Revenue and Taxation for collection.

Recommend to Write-Off Tenant Accounts Receivables

Total: \$38,051.85

Tyquiengco

I have reviewed AMP4's Tenant Accounts Receivables for the period through December 31, 2022. I am requesting a total of \$38,051.85 to be written off from the GL books.

Attached is a list of accounts to be written off due to non-activity from former residents. Please note that these former tenants have not remit any payments due within the time periods stated in their collection letters. DRT has been collecting a \$15 fee for each account that they have collected; this fee has been applied to these accounts.

These inactive accounts are affecting the Authority's financial performance and I am recommending that these accounts be written off and forwarded to the Department of Revenue and Taxation for collection.

Please feel free to contact me at (671) 475-1394 for any questions or concerns.

GHURA does not discriminate against persons with disabilities.

The Chief Planner has been designated as Section 504/ADA Coordinator.

The Coordinator can be contacted at the above address and telephone numbers.

February 15, 2023

A training for the new procedures that was conducted by Ashley Sheriff Deputy Assistant Secretary of REAC. The training was for HUD's new inspection procedure that will be launched later this year. It was the National Standards for the Physical Inspection of Real Estate (NSPIRE) at Oakland California, at the Hilton Oakland Airport on January 31st of this year. In attendance was Michael Orot from AMP 2 Maintenance Supervisor, Deputy Director Fernando Esteves, and myself. The intent was to strengthen and replace the Uniform Physical Condition Standard (UPCS) in the Public Housing and the Housing Quality Standards (HQS) for the HCV program.

The ultimate goals for NSPIRE are to focus on (3) three main areas to include: 1) people 2) priorities and 3) programs. When we talk about people we are looking at the residents to ensure they are living sate and prioritizing them over properties. Properties focus on the health and safety standards as well as increase inspection consistency. The program aspect looks at modernizing HUD's inspection process. What I learned from the seminar is this going to happen faster than we expected. The Public Housing it is planned to launch in April 2023 and for the HCV on October 2023. One of the issues that they still need to iron out is the methodology in scoring from UPCS/HQS to NSPRIE.

Most of the training centered around Public Housing since the launch for this happening in a couple of months. They recommended that for the HQS we do the HUD exchange NSPIRE program which is a 6.5 hours and complete the course session and get a certificate upon completion. This will allow us a jump start and become more familiar with this new inspection protocol/procedure. The inspection department from Section 8 will work on completing this as soon as possible.

The representees from HUD will communicate for any updates and changes. Again, this is the early stages and HUD is still trying to iron out all the issues presented and will update and inform all the housing changes of this.

Some of the things we need to prepare for is ensuring we have the software and tools and adopted in the public agencies Admin plan. We will also need to update our checklist for inspection housing so it conforms to these new guidelines

To whom it may concern:

The NSPIRE GET READY SESSION that I attended on January 31, 2023 in Oakland, California was an educational experience about upcoming changes for public housing effective April 1,2023. Though there are similarities to the current REAC UPCS model, there are many drastic changes to current standards and procedures during preparation and inspections.

The NSPIRE model narrows down the five current inspectable areas, consisting of the site, all building exteriors, all building systems, all common areas, and all units under the current REAC UPCS model to three: inside, outside and common areas. This shifts the focus to the wellbeing and exigent health and safety of the residents.

The adoption of the new model will bring challenges, and adequate training will be necessary to facilitate a smooth transition and prepare all GHURA personnel for NSPIRE inspections.

This was a great learning experience, and I strongly hope that future opportunities for our employees to be trained off-island will be made available, as such experiences are enriching because they are extremely educational and provide networking opportunities with both peers and superiors from mainland HUD divisions. Such experiences can only be beneficial in the short and long term for both employees and the entirety of GHURA.
