REF:	QUESTION/ SUBMITTED:	INQUIRY AS	GHURA RESPONSE:
Questions from November 22, 2023			
1.	Based upon our measurements we couldn't put any sliding door on the cubicle workstations. To do that we have to reduce the cubicle workstations from 9 to 7. Please review attached document. At this point right now it's a bit tight. Also, we kept the height to 67" panels to keep it consistent with the other rooms. Please advise.		The reduction of workstations is acceptable, quantities to now read from 9 to 7 workstations.

Bidders are also notified to visit GHURA website: www.ghura.org to ensure that addenda to the bid, answers to questions, and reminders are communicated to all bidders throughout the solicitation process.
