VIII. ADJOURNMENT

Sanders undergoes heart procedure

(The Washington Post) - Democratic presidential contender Bernie Sanders was treated for an artery blockage this week, sidelining him for at least a few days from a race in which the candidates' age and physical health have been significant factors.

The senator from Vermont was hospitalized after experiencing chest pains at a Tuesday campaign event, according to Jeff Weaver, a senior Sanders adviser. Doctors found a blockage in one artery and inserted two stents, Weaver said in a Wednesday statement. Sanders was "in good spirits," but canceled campaign events "until further notice" so he can rest in the coming days, Weaver said.

Sanders thanked well-wishers Wednesday and used the moment to draw attention to his signature universal health care proposal. "None of us know when a medical emergency might affect us. And no one should fear going bankrupt if it occurs. Medicare-for-all!" he tweeted.

The problem emerged at a critical moment for Sanders and the Democratic campaign. The senator had just announced he had raised an impressive \$25.3 million in the year's third quarter, giving him a boost at a time when rival Sen. Elizabeth Warren of Massachusetts had been gaining ground. Now he'll be off the campaign trail for an unknown period, with the next Democratic debate rapidly approaching on Oct. 15.

Age and health have loomed over the 2020 presidential race more than any contest in recent history. The three leading candidates for the Democratic nomination are septuagenarians - Sanders, 78; former vice

president Joe Biden, 76; and Warren 70 - who have faced scrutiny over their physical well-being.

The Democrats are vying for a chance to face President Donald Trump, 73, who was the oldest president in history to be sworn in as president for the first time. Although Trump's physicians have given him a clean bill of health - sometimes extravagantly - he pointedly enjoys fast food and avoids exercise, despite holding one of the highest-pressure jobs in the world.

While some older presidents, such as Ronald Reagan, have been seen as reassuring father figures, others, like John F. Kennedy and Barack Obama, have appealed to voters as youthful, energetic leaders. "I think age is an issue for some voters as a proxy for being able to do the job and a proxy for being an agent of change," said Democratic strategist Jesse Ferguson.

Facing a younger crop of Democratic candidates running on generational change, Biden, Warren and Sanders have sought creative ways to project youthfulness and vigor. Sanders played in a summer softball game and reminds voters he used to be a competitive runner. Biden told reporters over the summer he rides a Peloton bike to keep fit. And Warren frequently jogs to the stage at her events.

But they have also had to deal with concerns from voters, questions from rival Democrats, provocations from Trump and, occasionally, injury or illness. Biden, whose gaffes, misstatements and sometimes meandering speeches have plagued his campaign, has absorbed the brunt of these broadsides.

Biden to Trump: 'I'm not going anywhere'

(The Washington Post) - Former Vice President Joe Biden plans to strike a defiant tone during a campaign speech Wednesday night where he will rip President Donald Trump's efforts to smear him and assure his supporters that Trump won't destroy him or his candidacy.

The top-polling 2020 Democratic presidential candidate has become inextricably intertwined with the impeachment inquiry into Trump's behavior, which centers around Trump asking a foreign leader for dirt on Biden's son.

Biden, who spent four decades in the Senate, has sought to separate Trump and his base from the Republican Party that contains his friends and peers. But in his remarks, Biden intends to slam the GOP.

"He is repeatedly smearing me and my family. His party fans out to carry the smear," Biden will say, according to excerpts of Biden's prepared remarks in Reno, Nevada.

"Let me make something clear to Trump and his hatchet men and the special interests funding his attacks against me - I'm not going anywhere," Biden will say. "You're not going to destroy me. And you're not going to destroy my family. I don't care how much money you spend or how dirty the attacks get."

Democrats have begun to worry that Trump's relentless attacks on Biden will weigh on the campaign, even if they're baseless. If Biden is the Democratic nominee there is fear that Trump could succeed in sowing doubt in voters' minds.

Trump has accused Biden of pressuring Ukraine to fire its top prosecutor in 2016 to benefit his son, Hunter.

Hunter Biden served for nearly five years on the board of Burisma, Ukraine's largest private gas company, whose owner came under scrutiny by Ukrainian prosecutors for possible abuse of power and unlawful enrichment. Hunter Biden was not accused of any wrongdoing in the investigation. At the time that Joe Biden, then acting in his capacity as vice president, sought to have Viktor Shokin, the Ukrainian prosecutor, ousted the investigation into Burisma was dormant, according to former Ukrainian and U.S. officials.

Biden and other Western officials have said they were in agreement that Shokin needed to go because he was not sufficiently pursuing corruption cases in Ukraine.

Biden said Trump sought to discredit him and his family because, "like every bully in history, he's afraid. He's afraid of just how badly I would beat him next November."

During a July 25 phone call with the Ukrainian president, Trump asked him to investigate Biden's son for possible corruption. Republicans have leveled the charge that it was improper for a vice president's son to sit on the board of a foreign company.

Nowhere in the prepared remarks does Biden talk about the appearance of a conflict of interest.

Earlier Wednesday, during a press conference with the president of Finland, Trump called Biden and his son "stone cold crooked."

Biden spoke to reporters at a gun-safety forum in Las Vegas and was asked if he'd spoken to Hunter about this. Biden said they'd "communicated a couple of times," but did not offer more detail than that.

"But look, there is zero, zero, zero, zero evidence of any assertion being made, I'm not going to... look, the issue is this president of the United States engaged in something apparently that is close to, well, engaged in activity that at minimum gives a lot of running room for the Russians and Ukraine and I think we should just focus on the issue," Biden told the reporters. "Nobody has ever asserted that I did anything wrong except he and what's that fellow's name? Rudy Udi? Giuliani?"

\$27M landfill expansion contract awarded

Core Tech International has won the \$27 million contract to build a third trash cell at the Layon Landfill.

The award of the contract was one of the last remaining responsibilities of the federal receiver Gershman, Brickner & Bratton over government of Guam solid waste management.

Guam Solid Waste Authority General Manager Larry Gast said, although the contract has been awarded later than hoped, he is still confident the third cell will be completed and ready to receive trash by August 2021 when the first and second trash cells are expected to be filled up.

The funds to build the third cell come from the proceeds of \$30 million the government of Guam borrowed from the bond market in July.

New debt won't increase tipping fees

The Guam Solid Waste Authority has committed to making the debt repay-

ment from the tipping fees it charges residents, businesses and the military for trash collection.

GSWA board Chairman Andrew Gayle and Gast have both said there will be no increase in tipping fees as a result of borrowing \$30 million.

According to the attorney general's office, Gast said, the contract still awaits the final approval of Judge Frances Tydingco-Gatewood of the District Court of Guam. She must formally terminate GBB's oversight of the contract and assign it to GSWA.

"I expect that to happen Friday," Gast said during a status hearing before Judge Tydingco-Gatewood in District Court.

Gast said Core Tech wants to get the job done "as quickly as possible," adding the firm has indicated it "will be working multiple shifts."

7 flights canceled, 1,260 passengers affected

By Lannie Walker

Business at the airport quickly went back to normal yesterday, after a few early morning flights were canceled at the height of the storm.

John "JQ" Quinata, deputy executive manager of A.B. Won Pat International Airport, said flights coming in from Manila, Japan and Korea from midnight to 4 a.m. were canceled.

In total, seven flights, affecting about 1,260 passengers, were canceled. Four were departing and three were arriving.

He said the airport worked to get the word out as soon as possible to tour agencies, so passengers wouldn't be dropped

off at the airport.

"The hotels were prepared to have them stay over one more night," Quinata said.

The first flight out after the storm was Tuesday morning's 7:20 to Honolulu.

The first flight in was Jeju Air's noon arrival from Korea.

Quinata said airlines often send "rescue flights" or larger aircraft to take people who were stranded and to catch up with their normal schedule.

"The airport never closed down," he said, adding that debris on the tarmac and aprons and runways was cleared quickly to ensure planes could take off and land.

Nissan motorcade rescheduled

Due to recent poor weather conditions making venues uncertain, Nissan Guam has decided to relocate and reschedule the official attempt to break the world record for the most Nissans in a motorcade.

"It's been really wet, thanks to all this rain, and our original venue had us on a grass field over at Adelup which would have made a mess of the field," said general sales manager Brian Downey.

The new date for the world record attempt is now Nov. 3 and the updated route will take drivers from John F. Kennedy High School in Tamuning to Paseo de Susana Park in Hagåtña.

Anyone who has already registered will automatically be entered into the Nov. 3 motorcade, and anyone who is unable to attend is eligible for a refund by emailing events@nissanguam.com or calling 647-7261.

II. BOARD MEETING PUBLIC ANNOUNCEMENTS

1st Printing – Thursday, September 19, 2019

2nd Printing – Tuesday, September 24, 2019

ACKNOWLEDGED

III. APPROVAL OF PREVIOUS BOARD MINUTES –

[204/19] - August 26, 2019- Correction on attendance: Vice Chairwoman Guzman was absent on 8/26, 2019.

September 26, 2019- No corrections.

[205/19]- A motion was made to approve the Board meeting minutes of August 26 and Sept. 26, 2019. The motion was seconded by Commissioner Pereda. There were no objections to the motion. **THE MOTION WAS APPROVED AS CORRECTED.**

IV. NEW BUSINESS

1. [206/19]- Contract Amendment

Construction of the "Central Community Arts Hall within the existing Sinajana Community Center structure".

Mr. Albert Santos indicated that an IFB for the project was advertised and a bid proposal is due on October 18, 2019. The demolition and erection were required of the new structures within the Sinajana Community Center, GHURA has requested that E.M. Chen submit limited CM Services to assist our staff in the construction of the project.

E.M. Chen's cost proposal was in the amount of \$61,200, but negotiated to the amount of \$54,000. GHURA requested that the board approve a contract amendment in the amount of \$54,000 to E.M. Chen and Associates to provide the needed Limited CM services for the construction of the Arts Center in Sinajana.

[207/19]- A motion was made by Vice Chairwoman Guzman to "amend the contract with E.M Chen to include funding of \$54,000 for them to act as construction managers for the Central Community Arts Hall in Sinajana." The motion was seconded by Commissioner Dominguez. There were no objections to the motion. THE MOTION WAS APPROVED.

2. [208/19] - Contract Amendment

IFB#GHURA-05-23-2019-AMP3, New chain link fence & debris clearing

Mr. Albert Santos indicated that currently, the project has been delayed. He went on to state the reason for the delay was the **re-clearing** of the 1500 linear feet (LF) concrete storm swale caused by recent heavy downpour of rain. This caused nearby slopes to erode into the swale, filling it with soil and vegetation.

GHURA requested that the board approve a contract modification with Genesis Tech Corporation in the amount of \$9,350.00. In addition, a time extension is needed due to building permit delay, clean-up efforts, and new fence installation for a total of 90 days.

[209/19]- A motion was made by Commissioner Leon Guerrero to approve the contract modification for IFB#GHURA-05-23-2019-AMP3, New chain link fence & debris clearing in the amount of \$9,350.00. The motion was seconded by Chairman Flores. There were no objections to the motion. THE MOTION WAS APPROVED.

3. 210/19] - Contract Amendment

GHURA-3-7-2019-TRAN, Phase III, Upgrade of Kitchen and Bathroom on 8-Units at Guma Trankilidat in Tumon

Mr. Albert Santos indicated that Genesis Tech. Corp. is on contract to up-grade the kitchens and bathrooms of 8 units at Guam Trankilidat in Tumon. However, upon inspection of the units, it was discovered that the living room wall paint in unit E5 was bubbling. The gypsum wall had absorbed water that had leaked through cracks in the ceiling.

GHURA requested that the contractor submit a cost proposal to repair/seal the cracks and to replace the gypsum wall with a ½ inch cement board and paint finish to match existing wall. This is not a part of the kitchen and bathroom contract.

Mr. Santos explained that GHURA is requesting to amend the contract in the amount of \$5,000 and approving Genesis Tech. Corp. to complete the additional work on unit E5.

[211/19] - A motion was made by Commissioner Dominguez to approve the amended contract of GHURA-3-7-2019-TRAN, Phase III, Up-grade of the kitchens and bathrooms on 8- units at Guma Trankilidat in Tumon in the amount of \$5000. The motion was seconded by Commissioner Pereda. There were no objections by the other board members. THE MOTION WAS APPROVED.

4. [212/19] - Intent of Award

IFB#GHURA-8-12-2019-IT Equipment-Desktop Computers, Impact Printers, Laptop Computer, Uninterruptible Power Supply (UPS), and Network Equipment (router and switches).

Miss Greta Balmeo, stated that the bid opening for the project was held on August 28, 2019. A total of (8) vendors purchased bid specification packets, but only (5) submitted proposals.

Upon review by GHURA's MIS staff, it was determined that the bids listed below were those submitted as the lowest, most responsive, and most responsible. She added that GHURA is requesting that the Board approve the following awards to the specified vendors:

<u>BASE BID</u>	<u>VENDOR</u>	<u>BID AMOUNT</u>
Base bid #1-	SANFORD TECHNOLOGY GROUP	\$32,872.00
Base bid #2-	SANFORD TECHNOLOGY GROUP	\$531.00
Base bid #3-	SANFORD TECHNOLOGY GROUP	\$8,910.00
Base bid #4	SANFORD TECHNOLOGY GROUP	\$558.00
Base bid #5	MEGABYTE	\$829.76
Base bid #6	SANFORD TECHNOLOGY GROUP	\$2929.00
Base bid #7	DATA MANAGEMENT RESOURCES	\$1649.00
Base bid #8	MEGABYTE	\$1838.00
Base bid #9	MEGABYTE	\$484.44
TOTAL:		\$50,601.96

Mr. Topasna added that the bid is in connection to GHURA's Section 8 Action Plan that the board approved earlier. GHURA is trying to spend down every penny it has.

[213/19] - A motion was made by Commissioner Pereda to approve IFB#GHURA-8-12-2019-IT Equipment, in the amount of \$50, 601.96, to vendors of Bid item #'s 1, 2, 3, 4, and 6 to Sanford Technology Group in the amounts listed down in the proposal as recommended by the staff. Bid item # 5, 8, and 9 to Megabyte, and Bid item #7 to Data Management Resources. Vice Chairwoman Guzman seconded the motion. There were no objections by the other board members. THE MOTION WAS APPROVED.

**5. [214/19] - Resolution No. FY2020-001
Resolution approving the Substantial Amendment to the Citizen
Participation Plan 2019**

Ms. Katherine Taitano presented the resolution and explained that it was a part of GHURA's due diligence to update the Citizen Participation Plan. HUD requires that GHURA have a methodology in place when presenting CDBG items of interest to the public. GHURA also wants to make sure that it is using the latest technology when sharing information with the public.

She added that whenever changes are made related to the first document of the Consolidated Plan, GHURA must implement set guidelines when engaging the public in hearings and receiving their comments and/or suggestions.

Chairman Flores questioned whether the resolution was to approve an actual amendment or to proceed with preparing an amendment. He also stated that clarification needed to be made since the substantial amendment was still in progress. Vice Chairwoman asked if the amendment was completed yet. That it was still a work in-progress.

Ms. Taitano offered to return at another date to present the resolution. She also stated that her team will have data collected to further support the amendments described in the resolution.

[215/19] - The board decided that Resolution No. FY2020-001, approving the Substantial Amendment to the Citizen Participation Plan 2019 be tabled until the next scheduled board meeting.

6. [216/19] - Resolution FY2020/002

Resolution authorizing the board of commissioners to take the necessary steps to Submit an application for GHURA to become a U.S. Department of Housing & Urban Development/Approved Counseling Agency.

Ms. Katherine Taitano explained that GHURA is in the process of meeting a mandate from HUD stating that GHURA become a HUD approved Housing Counseling agency.

[217/19] - Vice Chairwoman Guzman made a motion to approve the Resolution FY2020/002 authorizing the board of commissioners to take the necessary steps to submit an application for GHURA to become a U.S. Department of Housing & Urban Development Approved Counseling Agency. The motion was seconded by Chairman Flores. There were no objections by the other board members. **THE MOTION APPROVED.**

Mr. Topasna informed the board that at the federal level, HUD is aware of GHURA's intention to proceed with the HUD certification.

7. [218/19] - Resolution No. FY2020-003

Resolution amending the "GHURA 2019 Pay Schedule for Maintenance Personnel" to incorporate the Architectural Engineering (A/E) Manager Position paygrade for recruitment purposes.

Mrs. Kim Bersamin explained that recruiting for maintenance for the public housing program has been difficult in the past. One of the reasons is because salaries aren't competitive enough. The best thing for HR to do, with regard to a succession plan, was to move the A/E manager position's pay from the General Pay Plan into the Critical position.

Mrs. Bersamin respectfully requested that the board authorize her to amend the pay scale from 2018 to include the A/E Manager along with the laborer, maintenance worker, and the lead man position.

[219/19] - Commissioner Dominguez made a motion to approve Resolution No. FY2020/003, the Resolution amending the "GHURA 2019 Pay Schedule for Maintenance Personnel" to incorporate the Architectural Engineering (A/E) Manager Position paygrade for recruitment purposes. Commissioner Leon Guerrero seconded the motion. With no objections from the other board members. THE MOTION WAS APPROVED.

8. [220/19] - Resolution No. FY2020-004

Resolution requesting a temporary Architectural / Engineering (A/E) Manager position for transition purposes

Mrs. Bersamin respectfully requested that the board approve adding a temporary A/E manager position for transition purposes, while the Merit system/job announcement for the position is open. The job announcement runs until the end of October. GHURA also wants to ensure that there are no disruptions to the day to day operations of the CPD programs during the transition.

[221/19] - Vice Chairwoman Guzman motioned to approve Resolution No. FY2020/004, a resolution requesting a temporary Architectural/Engineering (A/E) Manager position for transition purposes. Chairman Flores seconded the motion. There were no objections to the motion. MOTION WAS APPROVED.

9. [222/19] - Resolution No. FY2020-005

Resolution requesting a new temporary Housing Specialist position at Public Housing – Asset Management Property (AMP) 4 for Transition Purposes.

Mrs. Bersamin stated that one of the top-ranking Senior Housing Specialists will be relocating to the mainland by Thanksgiving. A request by the PH manager for the Senior Housing Specialist to train a temporary housing specialist was considered. She also indicated that the interviewing process to fill this position, will begin soon. The eligibility list will assist in locating top quality talent.

[223/19] - Commissioner Pereda made a motion to approve Resolution No. FY2020-005, a resolution requesting a new temporary Housing Specialist Position at Public Housing-Asset Management Property (AMP) 4 Transition purposes. The motion was seconded by Chairman Flores. There were no objections from the other board members. THE MOTION WAS APPROVED.

10. [224/19] - Resolution No. FY2020-006

Resolution approving the detail appointment extension for an additional 61 days for Calendar Year 2019 for Raymond A. Macias

Mrs. Bersamin explained that the initial 90-day procedure was adhered to. The resolution is to approve the extension of another 90-day extension. A job announcement was sent out, unfortunately, there seemed to be no public interest in the position. She stated that some possible factors as to why no one has applied may include; salaries, moving from a classified to classified limited term position, or the amount of responsibilities required of the position.

Director Topasna added that GHURA will be revisiting the PH Compensation Study. It requires a lot of work, but salaries are great incentives. If the position pays enough, we may get takers.

[225/19] - Vice Chairwoman Guzman made a motion to approve Resolution No. FY2020-006, a resolution approving the detail appointment extension for an additional 61 days for Calendar Year 2019 for Raymond A. Macias. The motion was seconded by Commissioner Dominguez. There were no objections by the other board members. THE MOTION WAS APPROVED.

11. [226/19] - Request for Tenant Account Receivables

Write-off through July 16, and 31, 2019 and August 31, 2019

Mrs. Lucele Leon Guerrero reported that the write-offs for AMPs 1,3, and 4 came up to \$29, 662.89. AMP2 and Guma Trankilidat did not have any write-offs to report. AMP1's write-off is 23.28% of the \$29,662.89. AMP2's write-off is 23.7% of the \$29, 662.89. AMP4's write-off is 53.2% of the \$29,662.89. Write-off reasons include non-payment of rent, disconnection of utilities, termination due to criminal activity, or termination as a result of Grievance hearing. She added that since the release of tax refunds, there have been an increase in collections.

[227/19] - A motion was made by Chairman Flores to approve the request for tenant account receivables period through July 16 and 31, 2019 and August 31, 2019. The motion was seconded by Commissioner Pereda. There were no objections to the motion. THE MOTION WAS APPROVED.

V. OLD BUSINESS

1. Update on REAC [Reference #176/19]

Mr. Topasna stated that the REAC inspections were scheduled on September 5 through September 13, 2019. The good news is that, collectively, GHURA did well enough to receive Standard Performer Status. The not-so-good news is that GHURA may have lost the High Performer Status. The results are as follows:

SCORE

- AMP 1- 84
- AMP2- 55
- AMP3- 72
- AMP4- 82
- **GUMA TRAKILIDAD- PASSED**
- As a result of the final scores, GHURA will be monitored by HUD periodically.
- Re-inspection for AMP2 may be scheduled in December 2019 or February 2020.
- He added that he and the Deputy Director have considered Administrative remedies to be discussed at a later date.
- Executive management team has developed an Action Plan to prepare AMPR2 for reinspection.

Mr. Albert Santos explained that all the AMPs were given a 14-day notice to prepare for inspection. D.C. Headquarter' s sentiments were that if all the AMPs are doing their Uniformed Physical Condition Standards (UPCS) monthly, the AMPs should pass regardless of the 14-day notice.

Five components were reviewed: site, exterior of structure, building system, common area, and units. AMP2 scored fairly well on all the components except for the UNITS component, scoring 11 out of 44 points. AMP3 scored below an 80, so they will be re-inspected in 2020. AMP1 and AMP4 will be inspected in 2021.

Three teams have been created to assist AMP2 in ensuring they pass reinspection.

SUBJECT: Construction of the "Central Community Arts Hall within the existing Sinajana Community Center structure".

Our staff had completed their review of E.M. Chen & Associates final design of Central Community Arts Hall within the existing Sinajana Community Center structure. The IFB for the project is presently being advertised with a bid proposal due date of October 18, 2019.

Because of the complexity for both; the demolition work required and the erection of new structures within the Sinajana Community center, we requested E.M. Chen to submit a limited CM services to assist our staff in the construction of this project.

Attach is E.M Chen cost proposal in the amount of \$61,200.0 which was reviewed and negotiated to \$54,000.00 for the nine-month period to construct the facility. The effort is critical due to the timing of 3 major projected projects to be in placed at the same time which will overload our current staff.

Based on the need to address and provide adequate engineering coverage to for the project while maintaining operation at the mayors' office and senior center, we are requesting that the Board approves a contract amendment in the amount of \$54,000.00 with E.M. Chen & Associates to provide the needed Limited CM service for the construction of the Arts Center in Sinajana.

Attachment: Proposal

At the Regular Board Meeting of October 11, 2019, a motion was made by Vice Chairwoman Guzman and seconded by Commissioner Dominguez to amend the contract with E.M. Chen to include the funding of \$54,000.00 for them to act as construction managers for the Central Community Arts Hall in Sinajana. Without any further discussion and objection, the motion was approved.

MEMORANDUM:

TO: Board of Commissioners
FROM: Executive Director 
SUBJECT: **Contract Amendment
IFB # GHURA- 05-23-2019-AMP3,
New Chain Link fence & debris clearing**

The on-going subject project is delayed for multiple reasons, the current delay is due to the need for the contractor to re-clear the 1500 LF concrete storm water swale. The heavy rain down pour over the past weekend cause the slopes alone side the housing development in Agat to slide/erode onto the swale and pouring onto the back yard of our units. The contractor had cleared the swale earlier in preparation for the installation of new fencing to prevent tenants from dumping their trash and personal belonging in the swale.

Because of the safety concern of our tenants, the urgency to clear the swale in control of future storm water from over flowing into their units alone side the hill side, we instructed the contractor to clear the entire swale immediately and to submit a cost proposal to clear the entire 1500 LF concrete swale filled with eroded soil and vegetation (photo attach of swale cleared)

The attach proposal submitted by the contractor was reviewed by our staff which they determined to be fair and reasonable at \$6.00 per LF for a total amount of \$9,350.00.

Based on our staffs' review and determination, we are requesting that the Board approves a contract modification with Genesis Tech Corporation in the amount of \$9,350.00 to immediately respond and clear eroded soil to prevent additional storm water run-off damaging our units at GHURA99. In addition a time extension is needed due to the building permit delay of more than 60 days and weather hampering their efforts in the clean-up and new fence installation for a total of 90 days.

Attachment: Cost proposals

At the Regular Board Meeting of October 11, 2019, a motion was made by Resident Commissioner Leon Guerrero and seconded by Chairman Flores to approve the change order request for the soil erosion and vegetation removal in reference installation of the new chain link fence & debris clearing at GHURA 99 in Agat for GHURA-05-23-2019-AMP3 for the proposed additional cost of \$9,350.00. Without any further discussion and objection, the motion was approved.

Subject: **Change Order Request for Soil Erosion & Vegetation removal**

Dear Sir,

We would like to request a change order for clearing of existing swale along Mao drive. Although we clear existing swale, unfortunately with past few weeks continuous heavy rain downpour we had some challenges of removal of eroded soil and vegetation from uphill along one side of existing concrete swale. Additional man hours, equipment and operator required to remove and clear eroded soil and vegetation on completed work along existing swale. Restore existing finish grade damaged by equipment.

The proposed additional cost **\$9,350.00** as Lump Sum Basis(Total Lot, Labor & Heavy equipment Quotation)

Thank you for your guidance and consideration. If you should have any questions, please do not hesitate to call me at 637-3370 or 888-5785.

SUBJECT: Contract Amendment
GHURA -3-7-2019—Tran, Phase III
Up-grade of Kitchen and bathroom on 8-units at Guma
Trankilidat in Tumon

Genesis Tech Corp. is on contract for the Up-grade of Kitchen and bathroom on 8-units at Guma Trankilidat in Tumon, Phase III. During inspection of units staff noted that the living wall paint in unit E5 were bubbling. After investigating they noted that the gypsum wall absorbed water dripping from the ceiling and after climbing to the roof deck, they noted that the inverted roof beams had cracks along the joints with the roof slab.

Based on the findings we requested the contractor to submit a cost proposal to repair/seal the cracks along the entire length of the beam and to remove and replace the damaged gypsum wall with a ½ inch cement board with paint finish to match existing walls. The replacement of this wall in the living room is not part of the contract only kitchen and bathroom walls are to be replaced.

Attached is the contractor proposal in the amount of \$5,000.00 which was reviewed by our staff who found the cost to be reasonable for the amount of work required.

Based on our staff review, we are requesting that the Board approve a contract amendment in the amount of \$5,000.00 with Genesis Tech Corp for the additional work to complete the unit in order for the next tenant on the list to move in.

SECONDED BY: SABINO FLORES

A RESOLUTION AUTHORIZING THE BOARD OF COMMISSIONERS TO TAKE THE NECESSARY STEPS TO SUBMIT AN APPLICATION FOR GUAM HOUSING AND URBAN RENEWAL AUTHORITY TO BECOME A U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT-APPROVED COUNSELING AGENCY.

WHEREAS, The Board of Commissioners of the Guam Housing and Urban Renewal Authority (GHURA) is empowered by 12 Guam Code Annotated, Section 5104(5) to adopt rules and regulations providing for the internal organization and management of the Authority; and

WHEREAS, GHURA has been providing homebuyer and financial counseling to Guam residents and individuals since May 2018, as required by Guam's 2015-2019 Consolidated Plan as well as the Home Investment Partnerships program; and

WHEREAS, in 2018, GHURA began the process of preparing to become a U.S. Department of Housing and Urban Development (HUD)-Approved Counseling Agency; and

WHEREAS, GHURA must submit an application detailing the agency's proposed process, compliance with HUD requirements, and the capacity to provide quality housing counseling and education to clients; and

WHEREAS, GHURA is requesting the authorization to prepare and submit an application to become a HUD-Approved Housing Counseling Agency; and

WHEREAS, upon approval, HUD requests the authorization of the Board of Commissioners, to take the necessary steps to submit this application.

NOW THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF GHURA:

Section 1. The above recitals are incorporated into the body of this resolution and are adopted as findings of fact.

Section 2. The Board of Commissioners authorizes the Community Planning and Development Division to prepare and submit an application to HUD for GHURA to become a HUD-Approved Housing Counseling Agency and to execute all necessary documents which may be required in connection with the responsibilities of submitting the application.

Section 3. If there are typographical or administrative errors or omissions that do not change the tone, tenor, or context of this resolution, then this resolution may be revised without subsequent approval of the Board of Commissioners.

MEMORANDUM

DATE: September 20, 2019

TO: Board of Commissioners

VIA: Ray S. Topasna, Executive Director
Elizabeth F. Napoli, Deputy Director

FROM: Lucele D. Leon Guerrero
Controller

SUBJECT: Request for Tenant Account Receivables Write-Off through July 16, and 31, 2019 and August 31, 2019

At the Regular Board Meeting of October 11, 2019, a motion was made by Chairman Flores and seconded by Commissioner Pereda to approve the Request for Tenant Account Receivables, Write-Off through July 16, and 31, 2019 and August 31, 2019 in the total amount of \$29,662.89. Without any further discussion and objection, the motion was approved.

The Property Site Managers provided me with memorandums recommending to write-off the attached lists of tenant accounts receivables totaling \$29,662.89:

Property Site	Write-Off Amount
AMP 1	\$ 6,904.63
AMP 2	- 0 -
AMP 3	7,030.23
AMP 4	15,728.03
GT	- 0 -
Total	<u>\$29,662.89</u>

The amounts represent outstanding receivable balances of former tenants. They had been informed through certified mail letters. Staff also have attempted to contact them; however, to no avail.

These balances are affecting the Authority's financial performance. Therefore, I concur with the Property Site Managers to write-off these delinquent balances. Based on the recommendations and concurrences, I am requesting your approval to write-off these balances and forward them to the Department of Revenue & Taxation for Collection.

Your favorable response to this request is greatly appreciated. Please let me know if you have any questions.
