GHURA OFFICES WILL PARTIALLY OPEN FOR BUSINESS

Sinajana, GUAM May 8, 2020. It is anticipated that the Governor will declare PCOR2 (Pandemic Condition of Readiness 2) on Monday, May 11, 2020. Upon this declaration, the Guam Housing & Urban Renewal Authority (GHURA) will partially open for business starting at 8am to 5pm. Continued compliance with Social Distancing rules will be strictly enforced; thus, services will be limited to those with appointments only. **ABSOLUTELY NO WALK-INS WILL BE ENTERTAINED** under PCOR2. Please be reminded that all visitors must wear a mask to be permitted entry into the building.

Those who need to: make inquiries; express concerns about their housing assistance benefits; drop off required documents; pick up forms; or make an appointment must contact their assigned Housing Specialists through email, telephone or to leave a written message in the GHURA drive-up express drop box that will be located in the parking lot shared by GHURA and the Sinajana Mayor's Office. GHURA has reconfigured the parking lot to make available this drive-up service under PCOR2. We pray for the health and safety of our friends, private partners and the families that we provide a home to during these difficult times.

Email addresses of personnel are available on the GHURA website at www.ghura.org.
