

The Association of Government Accountants (AGA), Guam Chapter, is celebrating March 2024 as Certified Government Financial Manager (CGFM) Month. The AGA created the CGFM designation and CGFM turns 30 this year. The AGA Guam Chapter has more than 280 members of which 40 are CGFMs. Attainment of the certification demonstrates competency in governmental accounting, auditing, financial reporting, internal controls and budgeting at the federal, state and local levels. CGFM is a respected credential that recognizes the specialized knowledge and experiences needed to be an effective government financial management.

GHURA is proud to recognize two employees who are CGFMs:

- 1. Frances Danieli, CGFM, MBA, CB – Controller***
- 2. Jerricho Garcia, CGFM, CPA – General Accounting Supervisor.***
